Commission Transfer of Property.

To the South Carolina Conference and the Upper South Carolina Conference:

This commission, appointed pursuant to resolutions passed on November 28, 1914, at the annual Conference which met at Sumter, S. C., respectfully reports:

Your commission held a meeting during the session of the General Assembly in January, 1915. It was then decided to incorporate the Upper South Carolina Conference before proceeding any further. This was done by an act of the Legislature (see Acts of Nineteen Hundred and Fifteen, page 450).

The next meeting of the commission was held during the session of the Upper South Carolina Conference, at Spartanburg, South Carolina. It was then decided that several amendments to the various charters of the several Conference institutions would be necessary in order to carry out the resolutions of the Conference in Sumter, above alluded to.

The matter of amending the charter of the Upper South Carolina Conference, if necessary, and of Wofford College and of the Textile and Industrial Institute was referred to H. B. Carlisle and J. A. McCullough.

The matter of amending charters of Lander College and Cokesbury District School to C. C. Featherstone.

The matter of amending charter of Columbia College to E. C. Dennis.

The matter of amending charter of South Carolina Conference, and of Epworth Orphanage to Charlton DuRant.

It further recommended that the funds now on hand and administered by the Board of Managers of the Legal Conference be divided between the two Conferences as soon as a Board of Managers is appointed for the Upper South Carolina Conference; this division to be made at such time and in such manner as may be mutually convenient to the two boards.

We desire to call the attention of your honorable bodies to the fact that any elections or appointments made by either or both of the said Conferences, prior to the passage of any of the acts of the Legislature above referred to, may be confirmed and ratified in said acts.

We recommend that the trustees of the various institutions pass, after the said charters have been amended, suitable resolutions which shall be spread upon the Minutes declaring in proper language, that they hold the properties under their control, to be administered for the benefit of both Conferences. This matter will also be provided for more definitely in the various acts of the Legislature to be passed.

The commission are of the opinion that the fund known as the "James L. Belin Fund" should belong exclusively to the South Carolina Conference, as under the terms of the trust, the money is to be expended solely for the benefit of the Methodist church at Murrell's Inlet, in Georgetown county.

November 25, 1915.

HOWARD B. CARLISLE,  
Chairman.

### Asbury Centenary.

Your committee, to whom was referred a paper concerning the observance of the centenary anniversary of the death of Francis Asbury, pioneer and hero of early American Methodism, beg leave to submit the following:

As the pioneer, the builder, the hero of the first half century of American Methodism, Asbury deserves, as a spiritual leader, a place in our hearts with Washington, the great political leader. As patriots we cannot forget the service of Washington as "Father of our Country;" as loyal Methodists, we must ever love and reverence Bishop Asbury and his coworkers; therefore,

As March 31, 1916, will be the one hundredth anniversary of the death of this devoted man who was a singularly devout preacher of the gospel, a wonderfully successful organizer of results, and a leader of extraordinary power and perseverance, the Methodist Church should, in all its branches, everywhere seize the opportunity to do honor to his character and achievements, thereby gaining fresh inspiration.

*Resolved*, 1. That on the Sunday nearest the date of the anniversary of his death, March 26, or April 4, 1916, a sermon be preached and such other notice be taken of the life and labors of Bishop Asbury as may be deemed best, designed to call to the minds of our people throughout the South Carolina Conference to the great investment of endeavor and devotion, privation and sacrifice made by Francis Asbury with other preachers and members of the first half century of American Methodism.

*Resolved*, 2. That at the next session of the South Carolina Conference, 1916, Thursday, or such time as may suit the Presiding Bishop, be observed in memory of Bishop Asbury; that the Presiding Bishop be requested to deliver an address on the Life and Labors of Asbury at 11 o'clock on that day.

*Resolved*, 3. That a committee of three be appointed by this Conference to make arrangements for the Conference Centenary and to promote the observance of the centenary throughout our Conference.

*Resolved*, 4. That a wide circulation of literature relating to the men and events of that period be encouraged that the appreciation and gratitude of Methodists of the twentieth century may be evoked for the fathers of the eighteenth century.

*Resolved*, 5. That we endorse the proposal of representatives of Ecumenical Methodism to erect a bronze equestrian statue of Bishop Asbury in the city of Washington from voluntary contributions of American Methodists, and that an offering be taken for this purpose in all our churches, the proceeds to be sent to Dr. H. K. Carroll, Washington, D. C.

### Educational Commission.

To the South South Carolina Annual Conference:

Your Educational Commission has, throughout the year, given the most prayerful and painstaking thought to the matters entrusted to us, and in view of the continued financial depression, we offer the following for adoption by the Conferences:

1. That the office of Educational Commissioner be discontinued.
2. That, whereas, the Educational Commission, after consultation with those who are in a position to know, and who are loyal to the Church, and interested in our colleges and schools, believes that the present

time is not propitious to carry forward the canvass for raising the proposed fund. Therefore, the commission recommends that the canvass be postponed to a more suitable time.

3. The commission believes that the canvass for funds for our colleges ought and must be made at some time, and we recommend that our plan and organization be continued.

4. We recommend that during the year 1916, special emphasis be placed upon the cause of Christian education and needs of our colleges and schools.

5. That we express our high appreciation of the work done by Rev. W. I. Herbert, the Commissioner of Education, under the most adverse circumstances, and we request that opportunity be given him to make his report to the Conference.

PETER STOKES, *President.*

J. R. T. MAJOR, *Secretary.*

#### Board of Education—No. 1.

*Whereas*, Robert B. Scarborough, chairman of the Board of Trustees of the Horry Industrial High School, appeared before your Board of Education and made formal tender to the South Carolina Conference of the Horry Industrial High School and property, as follows: One hundred (100) acres of land valued at \$5,000, with buildings thereon valued at \$15,000, all of which is unencumbered;

Therefore we recommend that the South Carolina Conference adopt the Horry Industrial High School, located near Conway, S. C., provided that a fee simple title containing the trust clause be made to the Conference aforesaid, and that its control and operation be vested in the Board of Missions of the South Carolina Conference, who shall have power to nominate, subject to the approval of the Board of Education, a Board of Trustees composed of five (5) laymen and four (4) preachers; the trustees hereafter to be elected at same time as trustees of all our institutions.

Respectfully submitted,

PETER STOKES, *President.*

ALBERT D. BETTS, *Secretary.*

#### Board of Education—No. 2.

In view of the fact that the Educational Commission has been forced, on account of the money stringency, to abandon for the time the movement to raise a fund for the relief of our colleges, and in view of the present pressing needs of our colleges for funds to meet immediate and imperative demands:

*Resolved*, That during the year 1916 special attention be given to our educational assessment, that every dollar of it may be raised, and that the Board of Missions join with the Board of Education in pushing our educational assessments in our Preachers' Institutes, District Conferences and mid-year meetings of the Board of Missions, looking to raising in full of the education assessment.

(2) That our pastors, wherever possible, appoint committees on education in the churches to assist in raising the assessment.

(3) That we request the editor of the *Southern Christian Advocate* to make the issue of January 6th a special educational number of the paper.

(Signed) PETER STOKES, *President.*

ALBERT D. BETTS, *Secretary.*

## Board of Education—No. 3.

We have received reports from all of our Church institutions of learning and representatives from most of them have appeared personally before us. While there are many difficult problems to be worked out, yet we are delighted with the excellent progress reported and prospects.

*Wofford College.*—The enrollment this autumn has reached a total of 425—324 in the college and 101 in the fitting school. The college enrollment shows an increase of 35 over the same date last year. We note a small decrease in the fitting school, but that is due to temporary conditions which we cannot control. The teaching force is 18—13 in the college and 5 in the fitting school. Value of land is \$140,000.00. The 22 buildings are worth \$225,500.00. Equipment, \$40,250.00. Loan Funds, \$9,000.00. Endowment, \$189,262.13. Total value is \$604,012.13. We congratulate Dr. H. N. Snyder that in the twenty-five years he has been connected with the college it has increased 200 per cent. in value of grounds and buildings, in endowment, and in number of students.

*Columbia College.*—This institution has discontinued the preparatory department, but in spite of that fact there has been a substantial gain in attendance, the enrollment now reaching 228 this session. We note that by the closest economy the college made ends meet last year. Of course, the prospects are brighter this year. Value of land, \$58,000. The buildings are valued at \$172,000.00. The equipment is worth \$12,000.00. Total, \$242,000.00.

*Lander College.*—A marked increase in the enrollment is reported this autumn, the attendance now being 220 young women. A careful revaluation of the property and equipment, and including the new pipe organ and the \$7,800.00 endowment funds, gives a total value of \$174,080.00. We note that since our last Conference Mrs. Laura A. Lander, the beloved widow of the sainted founder of the college, was called to her heavenly reward. Not only Lander College, but the whole State, has sustained a great loss, but heaven is richer.

*Carlisle School.*—This institution also reports a most gratifying increase in attendance, the enrollment at this date being 110. Eighty-nine of these are in the boarding department. The property is valued at \$77,000.00, and there is an endowment of \$5,000.00. The most recent addition to the buildings is the new gymnasium which cost \$1,600.00, the gift of Mr. C. F. Riser, of Olar, S. C.

*Textile Industrial Institute.*—The number of students enrolled this term is 107, a marked increase. The value of ground and building is \$85,000.00, and there is an indebtedness of \$38,000.00, which we understand is largely provided for, so as not to cause us any embarrassment.

*Cokesbury Conference School.*—The report from this school does not tell of the number enrolled this session, but last year there were 2 teachers and 36 pupils. Property is valued at \$6,000.00, and there is \$1,000.00 endowment. The bequest of Major Suber will soon be realized, we are informed.

The indebtedness on our institutions is as follows: Wofford, \$51,846.00; Columbia, \$90,000.00; Lander, \$44,085.19; Carlisle, \$5,000.00; Textile Industrial Institute, \$38,000.00. Total, \$228,931.19.

A summary of the foregoing reports gives us great encouragement. The total value of our school property is \$998,922.00. Endowments total \$211,862.00. If we include Epworth Orphanage, the value of our educational system is about \$1,500,000.00. We note that 74 teachers are employed in our schools, and the total enrollment so far this year is 1,126, as against 966 last year at this date, an increase of 160 students this year in our Methodist schools.

*Connectional Interests.*—We note with great pleasure that our two new universities at Atlanta and Dallas have opened with over 1,200

students in all departments, more than 125 in the theological schools. We congratulate the Educational Commission of our Church upon its splendid work. The visits of Dr. R. H. Bennett, of the Board of Education, Dr. F. N. Parker, of Emory University, were very helpful to us. We endorse the Conference of Educational Secretaries, and have elected delegates to same.

*Ministerial Education.*—It is very encouraging to note that we have forty-one young men preparing for the ministry in our South Carolina Methodist schools. Our loan fund has been doing great good, but under a standing order of the Conference, the assessment for this purpose will not be laid for the next two years. However, the need is so pressing that we urge the Presiding Elders and pastors to arrange for special collections to be taken for this purpose until our assessment goes back in force.

*The Correspondence School.*—This is well patronized by the undergraduates of our Conference, and we are much gratified thereby. All of our young ministers should avail themselves of the advantages offered by this institution. We direct attention to the excellent postgraduate courses offered, also, and we hope that many of our preachers will utilize them.

*Recommendations.*—1. We request the General Board of Education to classify Wofford, Columbia and Lander as Class A colleges, as each of them fulfill the conditions required for such classification.

2. We ask that the trustees of the Textile Industrial Institute be elected at the same time as all of the trustees of our educational institutions making their term of service two years.

3. In order that in and through the institutions of learning of our Church we may more fully give to our boys and girls a distinctively "Christian Education," as set forth in the name and claim of our Church, thereby preparing them better for more efficient service in the Church; we recommend to the trustees and faculties of Wofford, Columbia and Lander Colleges that they, as soon as possible, provide in their curriculum a course in practical religious pedagogy.

4. In view of the imperative financial needs of Columbia College the trustees be authorized to make special canvass for funds, if they deem it advisable, provided that any amount raised shall be taken account of in the canvass which the Educational Commission hopes to resume as soon as practicable.

*Nominations.*—We nominate two men to fill vacancies on the Board of Trustees of Lander College: W. A. Massebeau, instead of B. R. Turnipseed, transferred, and J. S. Bowman, instead of L. A. Manning, resigned. On the Board of Trustees of the Textile Industrial Institute we nominate Julian C. Rogers instead of S. J. Bethea, who is ineligible on account of a standing resolution of the Conference. We nominate as trustees of Horry Industrial School: R. B. Scarborough, H. L. Buck, D. V. Richardson, L. H. Smith, W. M. Monroe, J. B. Wilson, A. D. Betts, Presiding Elder of Marion District, Pastor of Conway station.

*Assessments.*—The assessment of the General Board is \$2,386.00. We recommend for Wofford \$6,000.00, for Columbia \$2,000.00, for Lander, \$2,000.00, and for board expense \$200.00. Total, \$12,586.00. Our collection for education this year is 64 per cent. on the assessments, as compared with 55 per cent. last year.

*Appointments.*—We request the Bishop to appoint W. W. Daniel as President of Columbia College; W. C. Kirkland as editor of the *Southern Christian Advocate*, and Peter Stokes as Conference Secretary of Education.

PETER STOKES, *President.*

ALBERT D. BETTS, *Secretary.*

**Epworth Orphanage.**

November 21, 1915.

Dear Brethren: We beg to submit the following report of the Epworth Orphanage for the year 1915:

The Orphanage has so far safely passed through the trying times caused by the European war. The institution is crowded with children; has graduated last June the largest class in its history; has had no death nor fire, and has received sufficient donations to meet its expenses. For all these blessings we are truly grateful to God and his people.

The Orphanage opened its doors and received its first three children January 20, 1896. Since that time 672 children have been received into the home; many of these have grown to manhood and womanhood and are today taking a man's or woman's place in life's duties. The Orphanage is putting good citizens into the commonwealth, and the Church may look with satisfaction upon the work here. Twenty-three children have been admitted during the year, 13 have graduated, and 23 others have found positions, gone out to relatives and otherwise. There are 228 in the institution with others accepted. The graduates enter life to make industrious, honest citizens.

The Orphanage maintains its graded school of ten grades and compulsory education prevails on the campus. Its graduates are able to enter the freshman class of our colleges. The effort is made also to teach most of the children a trade, so that they may be breadwinners and wage earners as soon as they leave the Orphanage. The farm, marble yard, printing office, laundry, sewing room, the kitchen and other departments, furnish opportunities to the children to learn useful things, but we still need to establish more industries that we may teach every child a trade.

The general health of the children has been good this year.

The Orphanage physician has found some cases of pellagra here for the past few years, generally of a mild type. Some of the children come to the Orphanage with this affection and a number of cases were reported as being here the present year during the spring and summer, but we know of no case that has ever proved fatal. The United States Public Health Service has secured permission to demonstrate at the Orphanage that pellagra can be prevented and cured by making certain corrections in the diet, and the government is now at work here directing the diet system, and bearing the additional expense incurred. During the latter part of August the physician representing the government, with the Orphanage physician, Dr. H. W. Rice, examined the children and said he found evidences of the disease in only a few cases at that time.

The industries here have felt the general financial depression.

The marble yard and printing office, during the first part of the year, were unable to secure enough orders to run full time, but with returning business the outlook is brighter. These industries are operated to teach the boys a trade and generally more than pay the operating expenses. Good crops have been made in field and garden. The Orphanage has bought no corn for its stock in the past twelve years, and the effort is constantly made to raise in the field and garden as many of our necessities as possible.

No buildings have been erected on the campus this year.

The sewer system installed last year has worked well. Buildings and outhouses have been kept in repair and insurance kept in force.

While we have had a hard year financially it is with sincere gratitude that we report that the Orphanage has not failed to receive enough for current expenses. During the spring and summer months the donations were less than the expenses, even after the strictest economy was practiced; but reviewing the year we are truly thankful to say that sufficient funds have been received to meet all our expenses. The Labor

Day proposition seems to have met with a more hearty response than ever before. The Orphanage is supported by the voluntary offerings of our people; and its principal source of income is the monthly gifts sent us. Especially do we desire to commend the "Special Support Plan" of many of our churches, Sunday Schools, Wesley classes and individuals, who send us \$5.00 a month for the support of a child.

The Orphanage has no financial agent and must look to the pastors, superintendents and individuals to see that sufficient funds are furnished to care for the orphan children for whom the church has assumed to provide.

We sincerely appreciate the interest and successful efforts that a large number of our pastors and Sunday School superintendents have put forth in behalf of the Epworth Orphanage, and beg our brethren everywhere to keep the Orphanage and its needs before our people.

By the will of Bro. Edward Ehrlich, chairman of the Board of Trustees, \$10,000 was given Epworth Orphanage, \$5,000 on endowment fund, \$5,000 for Edward Ehrlich Home. This amount has been paid the Orphanage by his executors. Brother Ehrlich has been connected with the Orphanage for a long while and was a good friend of the Orphanage.

The State Grand Lodge of Masons have provided this year for the support of 23 orphans here, whose fathers were Masons in good standing. We beg leave to commend the wisdom of our brethren and to thank them for their gifts.

One of the chief concerns of the Orphanage is the spiritual welfare of the children. A live Sunday School is on the campus, while the Epworth church on the campus is regularly served by the pastor of the Shandon charge. Almost all the children of school age join the church. Two Sunday services are invariably held; 16 children have joined the church this year. Annual revival services are held and oftentimes around the altar service the spirit of God is manifested as of old. Gracious meetings are held every year that revive the spirits of God's people, giving them courage to be faithful to the end, and also drive conviction home to the unsaved. Truly, the best thing at the Orphanage is its church.

Dr. E. M. Whaley, specialist, continues to treat, without charge, the diseases of eye, ear and throat among the children.

Dr. R. T. Dial, dentist, comes each week to care for the teeth of the children.

Dr. H. W. Rice, Orphanage physician, has been prompt to visit the sick and has given careful consideration to sanitary conditions. These brethren have been rendering their services gratis, and we are grateful for their valuable and effective service.

The many gifts of groceries, clothing and supplies sent us this year by friends all over the State we acknowledge with thanks.

We also cheerfully acknowledge the many favors received from the press of the State in disseminating information, the railways in granting reduced freight and passenger rates, and to the manufacturers for donations received.

We sincerely appreciate the kindly interest in the Orphanage manifested both by word and deed by so many good people all over the State.

We have sought divine guidance in the management of the affairs of the institution, and are trusting Him, through His people, to continue to provide for the orphan children under the care of the Church.

The Board of Trustees and managers have unanimously selected Rev. W. B. Wharton superintendent for another year, and request Bishop Denny to appoint him to this position.

W. J. MURRAY, *Chairman.*

H. A. TAYLOR, *Acting Secretary.*

### Sunday School Board.

We realize that all the interests of the Church are important and necessary, but in submitting our report, if your Sunday School Board can impress the members of the Conference with the importance of the Sunday School cause in the same degree in which we seek to regard it, we will feel that we have rendered a service and that our labors have not been in vain. Surely, brethren, no cause of the Church should lie nearer to your hearts than this work which in so large a measure involves the best life of the Church.

We have undertaken herein to briefly bring to your attention the matters which in our judgment seem of most vital importance.

*Trained Officers and Teachers.*—In order that the Sunday School may accomplish its best results and exert its largest influence, it is very necessary that its officers and teachers have an intelligent knowledge of the great work in which they are engaged. Our publishing house is supplied with books and literature and a training course which furnish this knowledge, and we would respectfully recommend and urge all interested ones to procure some of the best and study them carefully in order that they may become qualified for better service.

*Organization.*—The standard of efficiency set by the General Board of our Church should be the aim of all the Sunday Schools in their organization, but the importance of the organized classes cannot be too greatly stressed, and we would urge upon each school the advantage to be gained by the organization of their classes into a Wesley Bible class, where it is at all practicable, and that in each case they enroll in the Wesley Bible Class Department at Nashville.

The report of Dr. Bulla shows an enrollment of 5,700 classes with a membership of 170,000. We do not want to be behind any other Conference in our interest in this work. At the Wesley Bible Class Federation, held in Spartanburg in July, 1,500 delegates were present from the two South Carolina Conferences, which made a profound impression upon all who witnessed it. The attendance should be materially increased when the next one is held.

We incorporate the following paragraph from the report of Dr. Chas. D. Bulla, Superintendent of the Wesley Bible Class Department:

"Many of the men who have been brought into our Bible classes have no other church relations. The class is not a substitute for the church, and it is of first importance that members of our Bible classes be drawn close to the heart of the church. To this end we urge all classes to enroll in the Wesley Bible Class Department. This makes a class an integral part of the Sunday School. By enrolling in the central office a class recognizes allegiance to the Methodist Episcopal Church, South. No class should be satisfied with an independent existence. *For these reasons the Church provides for reporting only those Bible classes that have enrolled in the Wesley Bible Class Department.*"

*Children's Day.*—Children's Day is not observed as generally as it should be, nor as the Discipline requires. Ignoring the law in any particular must necessarily be attended with harmful results in the loss of benefits, if in no other particular. The use of Children's Day is of too great importance to be neglected, and every necessary means should be employed to make the observance general, and we do urge this upon all our schools.

*Missionary.*—We recommend a strict compliance on the part of all our Sunday Schools with that provision of the Discipline, that they be regarded as missionary societies; and that no part of the fund collected by the schools be applied to the credit of the missionary assessment levied upon the Church by the Conference.

The following resolution, adopted by the General Board at their meeting July 22-26, 1915, is brought to your attention:

*"Be it resolved,* That in the assignment of mission specials to Sunday Schools for the year 1915-16 emphasis be laid upon the China mission; and that, while schools may continue to take specials in all other fields, our leading cultivation, so far as foreign work is concerned, shall be for China and with the understanding that specials taken for China do not count on the missionary assessment upon the congregation."

*District Meetings.*—We recommend that District Sunday School Conferences be held in each of the districts, and that organization of the districts be effected according to the plans recommended by the General Sunday School Board. And in order that the Conference Secretary may have opportunity to attend all such Conferences, it is suggested that co-operation be had among the districts, so that not more than one Conference will be held at the time.

*Sunday School Notes in the Advocate.*—The editor of the *Southern Christian Advocate* has kindly granted the use of one page in that paper to the Sunday School cause, which is edited by our Conference Secretary. This kindness deserves our thanks and affords opportunity for the wide dissemination of useful information. It is especially desired that each pastor, superintendent and teacher be a regular reader of that page and the paper should find entrance to their homes.

*Assessment.*—We recommend that an assessment equal to one per cent. of the pastors' salaries for the year now closing be levied for the work of the Sunday School Board, and that it be collected in the early part of the year and forwarded at once to the Treasurer of the Sunday School Board, Rev. J. L. Tyler.

*Recommendation.*—We commend most heartily the faithful service of our efficient Secretary, and we urge the brethren to co-operate with him fully in his work. Much of his work is dependent upon correspondence and prompt reply to his letters is essentially necessary.

We respectfully ask the Presiding Bishop to reappoint Rev. W. C. Owen Conference Sunday School Secretary.

### Epworth League Board.

Your board would respectfully submit the following report:

While the Epworth League is growing in numbers and interest, we profoundly realize that within the bounds of the South Carolina Conference, this department of our Church work is not in as prosperous a condition as it deserves to be.

Its place, as the training school of the Church, has not been recognized, and your board is most anxious to bring this matter before the Church, and place it upon the consciences of all of our people.

There are 45 active league chapters in the South Carolina Conference having 1,550 members, and in these will be found many earnest workers.

Other Protestant denominations are realizing, as never before, the importance of training their young people for efficient service in the Master's vineyard, and are paying especially attention to this phase of church activity.

We earnestly entreat every pastor, to endeavor to have at least one League in his charge during the coming year.

Believing that there are large possibilities of greater good to our young people, through the agency of the Epworth League, your board would most respectfully submit the following resolutions:

1st. That a District League Conference shall be held annually in each Presiding Elder's district, which we earnestly beg all pastors to attend whenever possible.

2d. That the Annual Conference take direct supervision of the League throughout the Church as the Discipline provides, and that the League work be placed on the same basis as Sunday School. To secure this, we urge our Presiding Elders more earnestly to stress the pastor's duty in this regard; and, whenever a League is not organized, we beg the Presiding Elder to call for a reason for that failure.

3d. That anniversary day be observed in every charge on the second Sunday in May, or as near that date as possible.

4th. That each pastor urge the young people to support the African special.

5th. That, whenever possible, our pastors attend the summer Conference at Junaluska, and also urge their respective League leaders to attend.

6th. That it is the judgment of the South Carolina Conference that from and after the next Epworth League Conference, there shall be two Conferences in our State, to agree in name, with the respective Annual Conferences.

Respectfully submitted,

J. C. GUILDS, *Chairman*.

F. L. GLENNAN, *Secretary*.

#### Board of Missions—No. 2.

With a sincere desire to meet courageously and prayerfully the responsibilities of the work assigned to us, all matters brought to our attention have received due consideration.

In every decision that has been reached, in every plan outlined we have sought the approval of the Master whose spirit is ever the inspiration of service. We would not be unmindful of the heroic leadership of our pastors and the loyal co-operation of the laity in the results achieved in our missionary operations.

First of all, we wish to express our delight in having with us Dr. Ed F. Cook, Secretary of the Foreign Department of our General Board. His visit has been an uplift to us, and his masterly address at the anniversary of our board on Thursday night was an opportune presentation of the missionary situation in the Orient. It has not only given us a vision of the crisis in missionary activities of the Church, but has stirred our hearts to greater zeal and a more complete consecration. We pray God to help the Church to see her glorious opportunity that she may respond to the challenge.

We offer a few items of our program that we should seriously lay to heart:

1. The adequate financial policy outlined in the Discipline. The assessments are to be regarded as the minimum not the maximum. This is the only basis yet found for reaching all the people. Let us see to it that we do not fall below it. We must cultivate the rapidly increasing number of individuals and churches who are providing specials, not willing to limit their giving to the regular assessment.

2. We realize that the supreme missionary problem is not one of men, nor yet of money, but of intelligence. In our Sunday Schools and Epworth Leagues lies our splendid opportunity for the cultivation of a new and larger missionary motive in the heart of the Church of the future.

The budget of our China missions has been assigned to the Sunday Schools of Southern Methodism. The leaflet, "China in the Sunday School," tells how this tremendous undertaking can be realized speedily.

3. Our secretaries, face to face with the seriousness of the hour that is now upon us, have sent out a call to prayer, fixing January 2-9 as the time set apart for that purpose. Here and now let us enter into a solemn compact that we will in some fitting way observe the week of prayer and self-denial. Prayer for the empowering of the spirit, and gifts upon the altar that are fragrant with love and sacrifice.

4. We have been requested to bring to your attention the Pastors' Conference, to be held at Lake Junaluska next summer. It is termed a "Council of War," and is designed to bring the ministry of our Church together in quiet counsel and earnest prayer that out of it may come a more efficient type of leadership.

The mid-year meeting of the board will be held in Florence, Tuesday, January 18. Following immediately upon this meeting we urge the holding of all missionary institutes.

We must insist upon early collections or else many of our loyal and devoted workers must suffer.

May 1st is the date we would fix when all missionary funds are to be in the hands of the Conference Treasurer.

We had before us the annual report of the president of the Textile Industrial Institute. The steady growth of this mission school bears testimony to wise management and unflinching devotion to duty. The outlook is full of hope for increasing usefulness. We bespeak for Rev. D. E. Camak, the president, the hearty co-operation of our pastors. We commend to our people Rev. D. A. Lewis, who has been chosen to assist the president in raising funds.

Your board desires to record its appreciation of the generous offer of the trustees of the Horry Industrial High School in tendering the school to us for our ownership and control. We accept the management of the school upon the conditions outlined in the report of the Board of Education adopted by the Conference December 3, 1915.

It is our conviction that this enterprise furnishes an opportunity for a superior type of constructive missionary endeavor. The success of the undertaking depends largely upon the sympathetic support of the whole Church.

We nominate S. B. Harper for appointment as Conference Secretary of Missions.

## LOAN TO CHURCH.

Kingstree District:	
Oakgrove .....	\$ 200 00

The following resolutions were adopted:

*Resolved*, First. We heartily endorse the proposition of the General Board for a Loan Fund Day throughout the bounds of our Church, and pledge ourselves to co-operate with the Special Committee in making it a success.

Second. Our preachers and churches are urged to fall in line with the whole Church in giving the day designated to the interests of Church Extension, affording the people an opportunity to make contributions in cash or subscription, all cash received to be remitted to the General Office at Louisville, Ky., and all subscriptions taken, with the amount subscribed, and address sent to the same place.

Third. We recommend that contributions not otherwise directed within the bounds of this Conference, become a part of the Conference Board Loan Fund, which fund is administered by this board in the interests of Church and Parsonage building, within the bounds of the Conference, through the general office at Louisville, Ky. We recommend, also, that the amount contributed by the Sunday Schools of this Conference be added to the Sunday School Loan Fund.

Fourth. We urge our Presiding Elders, preachers, lay leaders, Sunday School superintendents, and Epworth League officers to keep this matter before the people, and to so plan that they may be informed

on the subject, and that they be given an opportunity to make a contribution to the Loan Fund capital of the Board of Church Extension.

Fifth. We make mention of the fact, for the information of all concerned, that the general office at Louisville, Ky., will provide, free of charge, literature, charts, etc., for educational purposes, subscription blanks, and all other necessary printed matter for the proper observance of the day.

Sixth. We urge our preachers and Sunday School superintendents to place birthday jars as far as possible in all our Sunday Schools, and thereby educate our children and youth to a knowledge and appreciation of this great arm of the Church, a work not one whit behind any other now demanding our prayers and earnest efforts.

The general office will furnish these jars on application of preachers or superintendents. As a Conference we cannot do less than fall in line with the whole Church in building this great Sunday School Loan Fund.

S. D. BAILEY, *Chairman*.  
P. A. MURRAY, *Secretary*.

#### Church Extension—No. 2.

*Resolved*, That the Secretary of the Church Extension Board, Rev. P. A. Murray, be requested to ascertain the subscriptions to the Representative Methodist Church at Washington, D. C., and that the Presiding Elders be requested to assist in the collection of these funds.

P. A. MURRAY, *Secretary*.

#### American Bible Society.

Your board submits the following report:

The increased interest in this worthy cause, attested by an increase of more than \$48.00 paid by the districts forming the South Carolina Conference over last year, is a cause for gratitude; but the fact that some charges did not contribute anything in this time of financial stress through which the Society is passing is reason for regret.

The following assessments were paid by the several districts:

Florence .....	\$ 82 82
Sumter .....	78 16
Charleston .....	63 81
Orangeburg .....	62 68
Marion .....	58 72
Kingstree .....	44 19
Total .....	\$390 36
Less Treasurer's commission.....	3 90
Net total.....	\$386 46

In view of the great worthiness of this cause, your board begs the privilege of making the following recommendations:

1. That the Centennial Celebration of the Society be observed by every church in the Conference on some Sunday in April or May.
2. That Thursday afternoon of the next session of our Conference be set apart to celebrate the 100th anniversary of the Society.

### Board of Managers of the Southern Christian Advocate.

The Board of Managers of the *Southern Christian Advocate* met in Sumter, S. C., Monday afternoon, November 30, 1914, and there formulated plans for carrying out the work laid upon it. These plans led to the submission of bids to publish the *Advocate* by the following:

Jacobs & Co., Clinton, S. C.; *Dillon Herald*, Dillon, S. C.; *Anderson Intelligencer*, Anderson, S. C.; Oulla Printing and Binding Co., Anderson, S. C.

At a meeting of the board held in Columbia, S. C., December 18, 1914, the contract to publish the *Advocate* was awarded to the *Anderson Intelligencer*, Anderson, S. C., and on same day a written agreement covering the details of the matter in hand was duly executed. Under this agreement the *Advocate* was published for five months.

With the consent of all parties concerned, on the 3d day of June, 1915, the *Anderson Intelligencer* transferred all its rights and privileges under the contract it had with your board to the Anderson Printing Co., Anderson, S. C. On the same day the said Anderson Printing Co. entered into a written agreement with your board, secured by a ten thousand dollar bond, to publish the *Advocate* till December 31, 1918.

It was deemed best to make no change in the regular and the established price of the paper. This was left, as it had been for years, at \$1.50 per annum. The only exception now made to this flat rate of \$1.50 per annum is that of granting some concessions to any congregation that places an *Advocate* in every family in the church.

The Board of Managers has tried to be faithful to the trust that has been committed to it, and asks that you be faithful to the *Advocate*.

Respectfully submitted,

F. H. SHULER, *Chairman*.

LEO D. GILLESPIE, *Secretary*.

### Committee on Books and Periodicals.

We, your Committee on Books and Periodicals, wish to submit the following report:

*Publishing Interests*.—Our publishing house at Nashville and the branch houses at Dallas and Richmond report a year of great prosperity, despite the depressed financial conditions of last winter. The total sales amounted to \$993,136.11 last year. The net gain on same was \$111,532.51. The total assets of our publishing houses now reach the splendid total of \$1,464,049.48. We are glad to note that \$15,000 has been appropriated from the profits for the Conference Claimants of the Church.

*The Methodist Review* continues to maintain its high standard and now has a circulation of 4,100. We wish to urge all of our preachers and leading laymen to take this most excellent magazine. The recent death of the editor, Dr. Gross Alexander, was a heavy blow to the Church, but his work will be ably carried on by the new editor, Dr. H. M. DuBose.

*The Christian Advocate* still prospers under our beloved South Carolinian, Dr. T. N. Ivey. Its circulation is now 14,700. It ought to have 100,000 subscribers. We urge that its circulation be greatly increased in the bounds of our Conference during the coming year. To this end we request that the Presiding Elders call special attention to this paper at their quarterly conferences. We commend most

heartily the work of Florence District in this respect last year. Over three hundred copies go into that district each week.

*The Epworth Era* grows slowly but surely. It now has a circulation of 18,000. We commend it to our young people.

*The Southern Christian Advocate* is doing good work under the new management, and we take great pleasure in urging a united effort throughout our Conference to extend its circulation. We want not less than 5,000 subscribers in the bounds of the South Carolina Conference. The present circulation is 7,600 in both Conferences, an increase of 400 this year.

Again we feel that special attention should be called by your committee to the most excellent line of Sunday School literature now issued by our Church, and urge its greater use by all of our Sunday Schools.

W. H. HODGES, *Chairman.*

ALBERT D. BETTS, *Secretary.*

### Lay Activities.

Your Committee on Lay Activities submit the following report:

Our conception of the duties of this board is to stimulate and enlist the laymen of the Church to active assistance of their respective pastors, under the leadership of the pastors, in all the activities of the Church, with special emphasis on the Missionary, Evangelistic and Social Service causes.

We have been unable to secure the statistical information desired by the Executive Committee of the Laymen's Missionary Movement. We think it is impracticable for the district lay leaders to get this information. It can be obtained by them only by great inconvenience, expense and loss of time, and is largely a duplication of the work of the Presiding Elders; and we therefore request the Presiding Elders to obtain this information for the board and make us a statistical report upon blanks to be furnished them by this board.

We call the attention of the Presiding Elders and the pastors to the enactments of the 17th General Conference in regard to the Laymen's Missionary Movement and the plan of organization adopted by the Laymen's Missionary Movement at Lake Junaluska, August 12 and 13, 1914, and urge them to see that the Church and charge lay leaders and the committees therein provided for are elected at the First Quarterly Conference of the new Conference year, if that is not already done.

We realize that all of the interests of the Church are advanced by its spirituality or retarded by its lack of spirituality, and we therefore endorse the efforts of our Board of Missions to organize a Conference-wide evangelistic campaign; and we urge the evangelistic committees of the respective churches to energetic co-operation with their pastors in pushing this work.

We realize that the regular assessments of the Church must be collected before missionary specials can be reached, and we recommend that a district meeting of all of the stewards of each district be arranged by the Presiding Elder and the district lay leader early in the year, not later than the District Conference for each district, for the purpose of discussing the best means of assisting the pastors in collecting their church assessments and relieving them, as far as possible, from this burden, so their time can be more fully utilized in attending to the spiritual and pastoral needs of their charges.

THOS. H. TATUM, *Chairman.*

R. M. LOFTON, *Secretary.*

### Temperance Committee.

The cause of temperance is still advancing, and South Carolina, long on the verge of State-wide prohibition, has in the last three months by a popular vote definitely adopted this policy. As State after State falls into line the ultimate goal comes nearer and we feel encouraged.

The enactment of a prohibitory law is only the winning of one battle in a long campaign. Those who relax their efforts now because one fight has been won, lose sight of this fact and of the great issues between the forces of good and evil which are involved. The enemies of whiskey are simply getting into a good position from which to fight, and the Church should summon all its forces and organize and align themselves for the struggle for law enforcement.

The Church must recognize the blind tiger as its inveterate enemy, and must educate its members to the necessity for individual effort of all Christians for the suppression of this, the greatest foe of individual and civic righteousness and prosperity.

We are beginning to see that no community can afford to condone and encourage lawlessness, and to see further that when the Christians of a community allow such a condition to continue, then the world has a right to taunt the Church with its weakness and accuse its members of hypocrisy.

Men judge a Church by the acts of its members and not by its creed, and the Church is being judged by its ability to infuse men with the Christ Spirit and send them out to work for His cause between Sundays.

The Church has furnished the motive force and the enthusiasm for the temperance cause and must continue to do so.

We commend the work of the Anti-Saloon League and the Woman's Christian Temperance Union in their efforts for temperance.

(Signed) CHARLTON, DU RANT, *Chairman.*  
W. P. WAY, *Secretary.*

### Committee on Sabbath Observance.

Your Committee on Sabbath Observance begs leave to submit the following:

The Sabbath is a divine institution and any infringement upon its sanctity is a violation of God's Holy law. Let us never forget that God holds inviolate the sacredness of His day, and guards it with all the authority of His law as given unto Moses.

The tendency of modern civilization is by no means conducive to the keeping of the Sabbath as a day of rest, but there is an increasing looseness as to its proper observance—Sunday excursions, specially attractive programs at places of amusement, many of them of a questionable character; the automobile as a means of pleasure—these, to say nothing of grosser intrusions, are making us a Sabbath-breaking people. In these times of the revival of law enforcement in our State, let us hope that more attention shall be given to our laws guarding the Sabbath.

We recommend that during the coming Conference year a sermon on this very important subject be preached in each congregation; also that the sanctity of the Sabbath day be emphasized in all of our Sunday Schools.

**Committee on District Conference Journals.**

Annual Conference, Charleston, S. C.:

The six (6) District Conference Journals have been carefully examined by your committee and are found well kept.

Respectfully submitted,

WM. V. DIBBLE, *Chairman.*

**Committee on Minutes.**

Your Committee on Minutes recommend:

1. That \$700.00 be assessed upon the Conference for the ensuing year for the publication of the Minutes, and that \$100.00 of this amount be granted the Secretary for his general expenses.
2. That 3,000 copies of the Minutes be published this year.
3. That the Secretary and the Statistical Secretary be authorized to make a proper adjustment of the ownership of the Burroughs adding machine, which was the property of the old Conference, and now is in the hands of the Statistical Secretary of the Upper South Carolina Conference.
4. We nominate E. O. Watson and A. J. Cauthen as editors of the Minutes for the current year.

**Joint Board of Finance—No. 1.**

We, the undersigned, after careful consideration and investigation of the matter of the division of Conference Claimants, do hereby recommend to the South Carolina Conference and the Upper South Carolina Conference of the Methodist Episcopal Church, South, the following plan for the division of the Conference Claimants between the said two Conferences:

First. That all claimants who reside within the present bounds of the South Carolina Conference, as set forth by the said Conference at its session of 1914, together with all claimants who reside beyond the State of South Carolina, shall be claimants upon said Conference.

Second. That all claimants who reside within the bounds of the Upper South Carolina Conference, as set off from the South Carolina Conference at the session of 1914, shall be claimants upon the Upper South Carolina Conference.

Third. We further recommend that upon the adoption of this plan of division of the Conference Claimants by the said two Conferences and the approval of the same by the Presiding Bishop, that the Board of Finance of each Conference shall disburse the funds collected for Conference Claimants who are allotted to the said Conference, according to "their several necessities," as provided by the Book of Discipline.

## MEMOIRS.

## Duncan Archibald Calhoun.

Duncan Archibald Calhoun was born near Clio, in Marlboro county, S. C., August 26, 1845. His ancestors, both paternal and maternal, were of the best people of the country, and were esteemed for their high sense of honor, and for their unflinching devotion to whatever contributed to the welfare of the community.

When about seven years old, Duncan entered school at Clio, S. C., and for some ten years following, at intervals, he was in school either at Clio or at Hebron Academy. During this period, under the training of some of the best teachers of that time, and by studious habits, good progress was made in mental development, and the foundation was laid for success in his future life work. In 1862, at the age of seventeen years, he entered the Confederate army in the cavalry company of the late Captain James A. Peterkin. Later, when this company was disbanded, he united with the gallant Hampton Legion, and served with marked fidelity to the close of hostilities.

On the 25th day of June, 1869, he was happily married to Miss Rebecca A. Heustess, of Clio, S. C., who, with four sons, survives him. After his marriage, Mr. Calhoun bought a farm near Little Rock, S. C., and settled down, as he supposed, to farm life; but God had other work for him to do. Early in the 80's, in a revival meeting at Little Rock, conducted by Mrs. Moon, my friend was happily transformed by the renewing of the Holy Spirit, in answer to a sure trust in Jesus Christ, and there and then he heard the call to preach. In obedience to this call, he at once began to arrange his affairs so as to enter upon his divinely given work. He was soon licensed to exhort and then to preach. During the year 1885, he served the Pee Dee mission, as a supply, and in December of that year was admitted on trial into the South Carolina Conference. He served faithfully and well the following charges: South Branchville Circuit, 1886; Salters Circuit, 1887; Cainhoy, 1888-89; Richland Circuit, 1890; Pee Dee, 1891-92; Conway Circuit, 1893-95; Waccamaw, 1896-99; Grover Circuit, 1900-1901; Scranton Circuit, 1902; South Florence Circuit, 1903-4; Sampit, 1905-6.

Brother Calhoun's great modesty would not allow him to appear at his real worth. His sermons were prepared with care and delivered with great earnestness. Christians under his ministry were edified, and many sinners were awakened and brought to a saving knowledge of their Lord. At the session of the Conference, held in Columbia, 1906, Brother Calhoun asked for, and was granted, the superannuated relation. For nearly nine years, in broken health, and increasing in age and feebleness, he patiently awaited the end. No truer man has ever had his name on the roll of the South Carolina Conference than was Duncan A. Calhoun. In the early morning, Friday, June 5, 1915, our brother "fell on sleep." Farewell for a while, brother. Then we will greet thee in the Father's house.

J. B. WILSON.

A. W. Jackson.

Rev. A. W. Jackson was born in Robeson county, N. C., February 4, 1836, and died August, 1915, while on a visit to his son in the State of Florida. In early childhood his parents moved to Marion county, S. C., and it was there that he was reared and educated.

Being brought up in that time in the history of our country when educational advantages were few, he was deprived of acquiring a finished education; however, being fired by a strong ambition, he learned how to study, and by continued effort, he obtained a practical education and became a man of culture.

In 1855 Brother Jackson married Miss Indiana Flowers, of one of the "Old Line" families of Marion county. Besides being true and sincere to him, she was a Godly woman, and the greatest asset of his life. To them were born five children: Rev. Preston B. (now a prominent minister of the Congregationalist Church), Orren Augustus, Mrs. Lilia Eva Carroway, Anderson W., and Rufus Barrett.

It was rather late in life that Brother Jackson decided to preach, he being 38 years old. He was converted under a powerful sermon preached by the beloved Rev. Wm. C. Power. He was received on trial at the Greenville session of the Conference, 1874, Bishop E. M. Marvin presiding. William H. Ariail, J. C. Counts, M. M. Ferguson, J. J. Neville, J. L. Stokes, S. D. Vaughn, W. W. Williams and O. N. Roundtree were received at the same session.

Brother Jackson served the following charges: Keowee mission, Central Circuit, Greenville Circuit, Johnsonville Circuit, Lower Darlington Circuit, Bucksville station, Lake City Circuit, and Johnsonville Circuit for the second time. He was on the supernumerary list for three years, and was superannuated at the Sumter Conference, 1893.

Brother Jackson was a good preacher. His style was practical and straightforward, and his sermons were always helpful. His life was one of continued service as well as usefulness, and after having finished up such a career, God called this servant to Himself. His remains were buried at Union church by the side of his loved ones.

P. B. INGRAHAM.

### William Collier Winn.

The subject of this memoir was the only child of William Collier Winn, Sr., and Sallie East Winn. Both parents were natives of Laurens county, S. C., and knew each other from childhood. Mr. Winn was educated at Erskine College and Miss East at the Asheville Female College. They finished their college courses about the beginning of the War Between the States. Soon afterwards, when South Carolina called her sons to battle, the young collegian offered his services to his country and went to the field of warfare, leaving behind his betrothed, Miss Sallie East. Early in the year 1864 he returned home on furlough, and the young soldier and his waiting affianced were happily married about the first of March of that year. In this union there was something romantic, patriotic, pathetic. Soon after their marriage the groom was recalled to his command, and a few weeks later, on May 11, he was killed in the battle of Spottsylvania, Va. His body was recovered and brought home to the widowed bride and was laid to rest in the old family burying ground at Hopewell church, in Laurens county. On December 10th, following, a son was born of this tender union, and was named William Collier for the gallant young father whose life had already been given in his country's defense. This child became the Rev. William Collier Winn, whose memory we now seek to honor.

Brother Winn was well born and well bred. He was reared on the farm of his grandfather East, in one of those old ante bellum homes which were centers of culture and refinement. His mother was possessed of fine intellect, together with those qualities of heart that were genuinely Christian. His several uncles and aunts were men and women of splendid natural gifts and of good education. One uncle, Colonel

William East, was specially gifted, and was a young poet of more than ordinary promise. But his literary career was cut short by the terrible war which took his brilliant young life. So it was in this fine old southern home, true to noble traditions and to high ideals, where our brother was reared. And it was in the community school, taught for many years by his own educated Christian mother, where he received the training that fitted him to enter the preparatory department of Wofford College. The force and influence of such inheritance and environment did not fail to produce a useful life and worthy character.

Brother Winn entered the preparatory department of Wofford College in 1883. He spent one year and a half in this department and two years in college. He did good work as a student, and maintained a high stand in his class. In his sophomore year a severe case of measles, followed during the summer by typhoid fever, affected his eyesight and hearing, and so impaired his general health that he was forced to abandon his college course. A few months later, when he had regained, in a measure, his health and strength, he began teaching. He spent five years in the schoolroom—one year in Spartanburg county and four years at Gray Court in his native county, Laurens.

At the age of nineteen Brother Winn felt the call to preach, but, like many others, resisted it for several years. In his twenty-seventh year he surrendered to God's call to the work of the ministry, and was licensed to preach October 16, 1891. He was admitted on trial into the South Carolina Conference at Darlington in December following, and was appointed junior preacher on Abbeville Circuit with Rev. H. W. Whitaker as preacher in charge for 1892. In 1893 he served as junior preacher under Rev. N. K. Melton on Claussen Circuit. After this his appointments were as follows: Georgetown Circuit, 1894-5; Ridgeway Circuit, 1896-7; Butler Circuit, 1898-9; Waterloo Circuit, 1900; East Lancaster Circuit, 1901-4; North Rock Hill Circuit, 1905-6; Lancaster Circuit, 1907-8; superannuate, 1909-11; Brookland station 1912-14; superannuate, 1915. He was ordained deacon by Bishop Hargrove at Sumter in 1893, and was ordained elder by Bishop Galloway at Rock Hill in 1895.

On January 15, 1893, he was married to Miss Belle East, daughter of Captain and Mrs. T. M. East, of Oklahoma, Ark. Their married life was a congenial one. To them were given three children: Eula East, Mary Belle and Evelyn Barksdale. Their home was a place of culture and of natural interest and sympathy. Nowhere else did the fine qualities of Brother Winn's mind and heart show themselves more plainly than they did in the home. To his noble Christian mother, who lived in his home till her death in 1908, he was a most tender and dutiful son; and his thoughtful devotion to wife and children was beautiful at all times. Sadly is he missed in the little home at College Place, Columbia, and loved ones still

"Sigh for the touch of a vanished hand,  
And the sound of a voice that is still."

The work which our brother did was constructive and abiding. In every charge that he served he made a good record. His sermons were well prepared and were filled with the truth of the gospel of the Lord Jesus Christ. He was instrumental in the conversion of many souls, and in the inspiring of numbers of young people to higher ideals and nobler lines. He believed in education and always tried to upbuild the schools wherever he lived. Perhaps the best work of his ministry was done during the four years spent on East Lancaster Circuit. There he built up a fine rural high school, and in order to do this, he himself taught four hours a day for two years and received not a dollar for his services. From that school he sent a large number of boys and girls to college,

and gave to many others a helpful training and a better preparation for life. In all his work he tried to look well after both material and spiritual interests of the Church. He was a kind and sympathetic pastor; and in his business and social relations with men he employed his excellent gifts to draw men to Christ.

During the last two years of his life he suffered much, and there were times when his work was done in pain and weakness. He struggled against disease heroically, but finally his strength became so depleted that he was forced to lay down the active work that had engaged his mind and heart for twenty-three years. He was granted the superannuated relation at Rock Hill, 1913, and retired to College Place, Columbia. He understood the nature of his disease, and realized that the end was near. He committed all into God's hands, and with unfaltering trust in Christ Jesus as his personal and all-sufficient Saviour, he fell on sleep April 22, 1915, and went up to receive the Master's "Well done."

As one who knew him well and who enjoyed his full confidence, the writer can say of Brother Winn that he was a true man and Christian gentleman. Our acquaintance began at Wofford College where, during the four years of this writer's college course, he lived in the home of Brother Winn and his saintly mother. He was possessed of splendid intellect, of studious habits, of gentle and refined disposition, and of lofty Christian ideals. Things rude and coarse never came near his head and heart. He was unselfish and nobly generous. To his friends he was true and loyal and "grappled them to his soul with hoops of steel." His convictions were strong and he always had the courage to act in accordance with them. He was gentle, modest and retiring by nature, and because of this disposition his ability and worth and work were not always fully recognized. But he was content "not to be ministered unto but to minister," and as a faithful servant of Jesus Christ and a willing laborer among his fellow men, his reward is on high, and

"The Book of Life the shining record tells."

### George Clifton Hutchinson.

About forty years ago in a plantation home near Salt Rock, W. Va., George Clifton Hutchinson was born.

He was the son of W. W. Hutchinson, of Scotch descent, and Mrs. Eliza Curtis Hutchinson, of German-English blood.

The foundation of his education was laid in the public schools of the community in which he was born. Here he applied himself, taking advantage of the opportunities afforded until he possessed the necessary qualifications for entrance into college.

The hunger for knowledge increased, and he, desirous of fitting himself for the responsibilities of life, matriculated in Morris Harvey College, one of the honored institutions of our Methodism. The record he made during a three years' course in this school was all that could be desired. Some time after leaving college he entered upon the career of a teacher in the public schools of his native State. In order that he might be qualified for still larger usefulness he took two years of special work in the University of Chicago.

In the early period of his boyhood days the "still small voice" of the Eternal Spirit spoke to his inner consciousness and brought the conviction that it was God's plan for his life that he should minister in the holy things of his word. With the passing years these impressions matured until the impulse to consecrate himself wholly to the service of the Master was no longer to be trifled with, and resisted. His

license to preach bears the date of June 14, 1898, and the place Charleston, W. Va.

At the session of the West Virginia Conference of 1910 he was admitted on trial. His credentials of ordination to the office of Elder bears the signature of Bishop A. Coke Smith, dated September 11, 1914.

For a little more than nine years he devoted his ministerial activities to the service of circuits and stations as preacher in charge in his native State. In 1909 he was received by transfer into the South Carolina Conference. During 1910-11 he served as pastor at Peizer. At the Conference of 1912 he was appointed to Winnsboro; 1913 to Ehrhardt; 1914 to Johnston, and at the Conference held in Sumter last year Bishop Denny appointed him to Hampstead Square church in this city. Upon his arrival here early that December he took up the work of this growing church with vigorous hand and hopeful spirit.

Brother Hutchinson was never long a stranger among any people. By nature he was endowed with a genial heart and a friendly turn that, to him, were splendid assets in winning his way into the esteem and confidence of his acquaintances. He studied how that he might accommodate himself to the varied social and material conditions of his people, seeking thereby to elevate their lives and bring happiness to their homes.

In the pulpit his message was delivered with unction and the seal of the Spirit's power usually accompanied them. No one who heard him preach could ever doubt that his heart was in the truth he sought to convey.

After an illness of three weeks he passed to his reward while a patient in a sanatorium, Charleston, S. C., September 6, 1915.

He leaves a wife and three daughters who in the coming days will treasure the precious memory of faithful husband and devoted father—and best of all a minister of Christ.

“Go to the grave in all thy glorious prime,  
In full activity of zeal and power!  
A christian cannot die before his time:  
The Lord's appointment is the servant's hour.”

“What though the arm of conqu'ring death  
Does God's own house invade?  
What though the prophet and the priest  
Be numbered with the dead?

“Though earthly shepherds dwell in dust  
The aged and the young,—  
The watchful eye, in darkness closed,  
And mute th' instructive tongue—

“Th' Eternal Shepherd still survives,  
New comfort to impart;  
His eye still guides us, and his voice  
Still animates our heart.”
